# EXAKTA 35mm Cameras, Lenses and Accessories

## AUTOMATIC EXAKTA IIa with Light Meter

World-renowned for its photographic achievement "firsts," Exakta once again demonstrates to the world its characteristic ingenuity in the new Exakta Light-Meter IIa—the new Exakta which now includes a new built-in photo electric exposure meter and a new optical sports finder. The Exakta Light-Meter IIa has all the other incomparable and distinguished features as: 26 different shutter speed settings from 1/1000 to 12 seconds, 5 different interchangeable viewfinders, a film-cutting knife, a stereo attachment, automatic diaphragm lenses, interchangeable lenses, the most accurate focal plane shutter, provision for intentional double exposures, and more!
