[Indeed, indeed, most bodies are from lhagee. HR]

EXACTA CAMERA. IT DOES SAY EXACTOR ON THE CAMERA, BUT AFTER A LITTLE RESEARCH I FOUND THAT AN EXACTOR CAMERA IS A EXACTA CAMERA IN CANADA. THIS IS A VERY NICE CAMERA AND IT HAS AUTO FIX FOCUS

[I found the information source of this seller. See text below. Exactor is a race-track term. HR]

“those who figured out the race-track riddle, cheers!!! I did very well that day. Cashed most of my bets and hit a \$270 exactor (that’s “exacta” for you americans).”

[And I wonder how manual fix focus would work. HR]

I don't know anything about 33 mm camera equipment,
[Join the club. HR]

Is a THAGEE. Believe made in late or early 18 hundreds. Of course not used. Took 6 photos.

[Of course. Cameras from before the discovery of photography were useless. HR]
[But admit it: these THAGEE people were visionaries. HR]

The lenses shows the name A.U.S Jenna

[I knew about len, lenes, lens, lense and lenses. But what if lenses is singular? HR]

[Still searching for company A.U.S, because I can't find Jenna. HR]

Alles was unter 500,-€ angeboten wird ist ein Spassangebot, dafür bekommt man beim
Schrotthändler mehr.

(Everything offered for less than 500 Euro is ridiculous, one gets more at the scrap dealer's.)

[Absolute wisdom, no comment. HR]

EXACTA SCHACHT 135MM F4.5 TREVENON manufacturer Topcon TOPCOR
