A. SCHACT UM TRAVENAR LENS A. Schacht UH

[Try again! HR]

Spiegelreflexkamera Exakta Varex II b Jhagee Dresden Jana 2/58

[Bescheibt das die Kamera oder den Verkäüfer? HR]

THIS IS AN OLD IHAGEE FOLDING PLATE CAMERA. I AM NOT SURE OF THE FILM SIZE. THE REAR HOODED DOOR OPENING MEASURES ABOUT 8MM X 11MM.

[The smallest ever. No doubt about that. HR]

EXA THAGEE DRESDEN camers. it has a leather case, and some little attachment thing which says UNITTIC, and the camera lens says E. Ludwig Meitar, and has a lens cover!!!!!!

[Impressive certainly, but not!!!!!! as intended. HR]

(On an eBay item with one photo of a lot of indistinguishable parts)

**Exacta 35 mm prfessional camera with many accesories
it is in excellent shap..it has several lences**

[Camera may be professional, the seller definitely isn't. HR]

**EXA Ihage Objektiv: Tripolon Blende: 25/150 Belichtung:
2,9/16**

[So wird eine einfache Kamera doch noch interessant. HR]

We have an Exakta waist level finer (new)

[So you have a real new finer. Keep it. HR]

THE SHUTTER WORKS GREAT ON ALL F STOPS.

[But the viewfinder doesn't? Or what? HR]

Die Kamera befinden sich noch in einem guten Zustand. Der Verschuß funktioniert. Die Masttscheibe ist gebrochen.

Exakta Varex IIA original 1933 Instructions Manual-Nice

[Did Karl Nüchterlein prepare this manual more than 20 years in advance? HR]

EXAKTA modèle varex IIA 24x36mm de 1934

[Nüchterlein didn't. Here is the camera that the Instruction Manual from 1933 belongs to. HR]

That was an unfortuante typo. Thanks for catcing it!

[I warned a seller on eBay that he described a camera as an ExaCta, but illustrated it with an ExaKta. This is the answer I received HR.]

[.. and really, a C for a K is NOT a typing error. HR]

Exakta VareXIIa

[Model Twelve A finally found. HR]

(On a normal waist level viewfinder)

This auction consists of an olderJhagee slide viewer with a nice leather case. I guess that's what it is, I'm really not sure. When you open the viewer, it looks to me like you could quickly view a slide one at a time.

[Viewing slides with a ground glass in between: it's certainly a new idea. HR]

(On a wooden plate camera)

Unknown vintage: combustable camera.

[The right spelling is "combustible", but is it an advantage?]

(on a Night Exakta)

All in suberp cosmetic and working order for age

[Maybe it's wise to avoid the term superb. HR]

Exacta Varex IIb mit 2 vveschiedenen Prtismeneinsätzen

[Neue Geräte? Oder neue Sprache? HR]

(On a normal Exakta VX 500 with missing nameplate)

This one is the very latest third and rarest variation with no nameplate at all.

[Today I'll produce five more of the rarest by removing the nameplates. Ha. HR]

Exakta Gronde Glass Foucusing Screen with Scale

Item location: Cambirdge

[Feedback over 65; unbelievable. HR]

[Aperture value seems to be relative too. HR]

Objektiv ein Telezom von Exakta

[Exakta verstehe ich, aber weiter...? HR]

(On a short Schacht lens, from the UK)

Funtion: Repair with the aperture blades! If you know how to construct this lens you definetly will enjoy with this lens. It will be sined for special delievery!

[Seller seems to be even more reliable than the lens. HR]

HHer is a EXA JHAJE Dresden 35mm Camera Eludwig 1188183

[So thther it is. This is Ihagee misspelling no 85 in my list. HR]

Exakta with Exakatar lens. Opitics are clean. Slight smuge on mirror. Some pinholes but material can be be repared. Removable top Prisim.

[What else did he miss? HR]

Leider kann ich die Funtion nicht überüfen. Gehe aber davon aus, dass Die Kamera funktioniert.

keine Garantie, Gewährleistung oder Rücknahme.

[Ohne überüfung der Funtion völlig vertrauen? Glaube nicht. HR]

WL Finder + penter prisum + filters + flash gun + rang finder + user manull needs new curtins but other wyis in ver god condion timer and all other funsions seme to be working well.

[Any idea which language or dialect this is? HR]

YOU ARE BUYING A ESTATE FIND IN VERY SHAPE

[This is most HR]
